## PROXY STATEMENT

---

Annual Meeting of Stockholders—December 18, 2002

### INFORMATION CONCERNING SOLICITATION AND VOTING

This Proxy Statement is furnished by the Board of Directors of Raining Data Corporation, a Delaware corporation (the “Board” and the “Company,” respectively), in connection with the solicitation of proxies to be used at the Annual Meeting of Stockholders (the “Annual Meeting”) of the Company to be held on Wednesday, December 18, 2002, at 10:00 a.m. local time, at the Hilton Irvine, 18800 MacArthur Boulevard, Irvine, California 92612, and at any adjournments or postponements thereof. Our principal executive office is 17500 Cartwright Road, Irvine, California 92614 and our telephone number is (949) 442-4400. The purposes of the Annual Meeting are set forth in the accompanying Notice of Annual Meeting of Stockholders.

This Proxy Statement and the Notice of Meeting and proxy are being mailed to all stockholders entitled to vote at the Annual Meeting on or about November 8, 2002. **ANY PROXY IN WHICH NO DIRECTION IS SPECIFIED WILL BE VOTED IN FAVOR OF EACH OF THE MATTERS FOR WHICH NO DIRECTION IS SPECIFIED.**

### GENERAL INFORMATION ABOUT THE ANNUAL MEETING

The close of business on November 1, 2002 has been fixed as the record date for the determination of stockholders entitled to receive notice of and to vote at the Annual Meeting. On that date, the Company’s outstanding voting securities consisted of 17,880,983 shares of Common Stock and 300,000 shares of Series A Convertible Preferred Stock, which were held by approximately 200 stockholders of record. The Series A Convertible Preferred Stock will be treated as though it had been converted into 500,100 shares of the Company’s Common Stock for purposes of voting at the Annual Meeting and will be voted together with the Common Stock as a single class. On all matters that come before the Annual Meeting, each stockholder or his or her proxy will be entitled to one (1) vote for each share of Common Stock held by the stockholder on the record date.

If a broker, bank or other nominee holds your shares, you will receive instructions from them that you must follow in order to have your shares voted.

The holders of a majority of the Company’s stock issued and outstanding and entitled to vote at the Annual Meeting, present in person or represented by proxy, will constitute a quorum for the transaction of business at the Annual Meeting or any adjournment thereof. Abstentions will be counted for purposes of determining if a quorum is present at the Annual Meeting for the transaction of business. Accordingly, if you have returned valid proxy instructions or attend the Annual Meeting in person, your Common Stock will be counted for the purpose of determining whether there is a quorum, even if you wish to abstain from voting on some or all matters at the Annual Meeting. Broker nominee votes will be counted as present or represented for purposes of determining the presence of a quorum.

Abstentions are included in determining the number of shares voted on the proposals submitted to stockholders (other than the election of directors) and will have the same effect as a vote against such proposals. Although broker “non-votes” and abstentions will be counted for the purposes of attaining a quorum for Proposal One (to elect Geoffrey P. Wagner and Douglas G. Marshall as Class I directors), directors are elected by a plurality of the votes of the shares of Common Stock represented and voted at

the Annual Meeting and, therefore, broker non-votes and abstentions will have no effect on the outcome of the election of directors. Abstentions and broker non-votes will be included in determining the number of shares voted on Proposal Two (to approve and ratify the appointment of KPMG LLP as independent auditors of the Company for the fiscal year ending March 31, 2003) and will have the same effect as a vote against such proposal.

When proxies are properly dated, executed and returned, the shares represented by such proxies will be voted at the Annual Meeting in accordance with the instructions of the stockholder. However, if no specific instructions are given, the shares will be voted in accordance with the following recommendations of our Board of Directors:

- “FOR” the election of Geoffrey P. Wagner and Douglas G. Marshall as Class I directors to serve for three (3) years expiring at the Annual Meeting of Stockholders in 2005; and
- “FOR” approval and ratification of KPMG LLP as our independent auditors for the fiscal year ending March 31, 2003.

We are not aware of any matters to be presented other than those described in this Proxy Statement. If any matters not described in the Proxy Statement are properly presented at the meeting, the proxy holders will use their own judgment to determine how to vote your shares. If the meeting is adjourned, the proxy holders can vote your shares on the new meeting date as well, unless you have revoked your proxy instructions.

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time prior to its use by (i) delivering a written notice of revocation to the principal financial officer of the Company, (ii) filing a duly executed proxy bearing a later date with the Company or (iii) attending the Annual Meeting and voting in person.

The costs of this solicitation will be borne by the Company. The Company will request brokerage houses and other nominees, custodians and fiduciaries to forward soliciting material to beneficial owners of the Company’s Common Stock. The Company may reimburse brokerage firms and other persons representing beneficial owners for their expenses in forwarding solicitation materials to beneficial owners. Proxies may also be solicited by certain of the Company’s directors, officers and regular employees, without additional compensation, either personally or by telephone or facsimile.

**PROPOSAL ONE  
ELECTION OF DIRECTORS**

**General**

The Bylaws of the Company provide that the Board of Directors is to be composed of no less than five (5) and no more than nine (9) directors divided into Classes I, II and III, each with as nearly equal a number of directors as possible. The exact number of directors is currently set at six (6) by resolution of the Board. The directors are elected to serve staggered three-year terms, with the term of one class of directors expiring each year at the Annual Meeting of Stockholders.

At the Annual Meeting, two (2) individuals will be elected as Class I directors, each to serve for a three (3) year term or until his successor is duly elected and qualified. The Board of Directors has nominated Geoffrey P. Wagner and Douglas G. Marshall for election as Class I directors at the Annual Meeting.

The Board of Directors knows of no reason why the nominees should be unable or unwilling to serve, but if either nominee should, for any reason, be unable or unwilling to serve, the proxies will be voted for the election of such other person to the office of director as the Board of Directors may recommend in the place of such nominee.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” APPROVAL OF THE NOMINEES  
FOR ELECTION AS MEMBERS OF THE BOARD OF DIRECTORS.**

**Voting Information**

Proxies solicited by the Board of Directors will, unless otherwise directed, be voted to elect all nominees proposed by the Board. A stockholder submitting a proxy may vote for all or any of the nominees for election to the Board of Directors or may withhold his or her vote from all or any of such nominees. Directors are elected by a plurality of votes: if a quorum is present and voting, the nominees receiving the highest number of votes will be elected to the Board. An abstention from voting on this matter by a stockholder, while included for purposes of calculating a quorum for the Annual Meeting, has no effect. In addition, although broker “non-votes” will be counted for purposes of attaining a quorum, they too will have no effect on the vote. The persons designated in the enclosed proxy will vote your shares **FOR** each nominee unless instructions otherwise are indicated in the enclosed proxy.

Each nominee has agreed to serve the Company as a director if elected. However, should the nominee become unwilling or unable to serve if elected, the Proxy Agents named in the proxy will exercise their voting power in favor of such other person as the Board of Directors of the Company may recommend. The Company’s Restated Certificate of Incorporation does not provide for cumulative voting in the election of directors.

The functions of the Audit Committee include reviewing and supervising the financial controls of the Company, making recommendations to the Board of Directors regarding the Company's independent accountants, reviewing the books and accounts of the Company, meeting with the officers of the Company regarding the Company's financial controls, acting upon recommendations of the independent accountants and taking such further actions as the Audit Committee deems necessary to complete an audit of the books and accounts of the Company. The Company's Board of Directors has amended its Audit Committee Charter. A copy of the amended charter is attached as Appendix A to this Proxy Statement. ## PROPOSAL TWO

### RATIFICATION OF THE APPOINTMENT OF INDEPENDENT ACCOUNTANTS

The Board of Directors has selected the accounting firm of KPMG LLP to serve as its independent accountants for the fiscal year ending March 31, 2003. KPMG LLP has audited the Company's financial statements since 2001 and performed a re-audit of the Fiscal 2000 and 2001 financial statements as part of the Company's restatement in March 2002. A proposal to ratify the appointment of KPMG LLP for the current year will be presented at the Annual Meeting. Representatives of KPMG LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions from stockholders.

The decision of the Board to appoint KPMG LLP was based on the recommendation of the Audit Committee. Before making its recommendation to the Board, the Audit Committee carefully considered the firm's qualifications as independent auditors. This included a review of the qualifications of the engagement team, the quality control procedures the firm has established, the issues, if any, raised by the most recent quality control review, and the reputation for integrity and competence of the firm in the fields of accounting and auditing. The Audit Committee's review also included matters required to be considered under the SEC's Rules on Auditor Independence, including the nature and extent of non-audit services, to ensure that they will not impair the independence of the accountants. The Audit Committee expressed its satisfaction with KPMG LLP in all of these respects.

### THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF INDEPENDENT AUDITORS.

#### Voting Information

Although ratification by stockholders is not required by law, the Board has determined that it is desirable to request approval of this selection by the stockholders. Ratification of the selection requires the affirmative vote by a majority of the shares of Common Stock having voting power present in person or represented by proxy at the Annual Meeting. An abstention from voting on this matter by a stockholder, is included for purposes of calculating a quorum and has the effect of a vote against the ratification of KPMG LLP as our independent auditors. In addition, broker "non-votes," also counted for purposes of attaining a quorum, have the effect of a vote against the ratification of KPMG LLP as our independent auditors. The persons designated in the enclosed proxy will vote your shares **FOR** approval of the resolution unless instructions to the contrary are indicated in the enclosed proxy. Notwithstanding its selection, the Board, in its discretion, may appoint new independent auditors at any time during the year if the Board believes that such a change would be in the best interests of the Company and its stockholders. If the stockholders do not ratify the appointment of KPMG LLP, the Board may reconsider its selection.

The Company incurred the following fees to KPMG LLP during the 2002 fiscal year:

- *Audit Fees.* KPMG LLP billed the Company an aggregate of \$190,000 for professional services rendered for the audit of the Company's annual financial statements for the fiscal year ended March 31, 2002. In addition, KPMG LLP billed the Company \$450,000 for professional services rendered for the re-audit and restatement of the fiscal 2000 and 2001 financial statements and the reviews of the financial statements included in the Company's Forms 10-QSB for fiscal years 2002, 2001 and 2000.
- *Financial Information Systems Design and Implementation Fees.* The Company did not engage KPMG LLP for financial information systems design and implementation, as defined in Paragraph (c)(4)(ii) of Rule 2-01 of Regulation S-X, during the most recent fiscal year.

- *All Other Fees.* KPMG LLP billed the Company an aggregate of \$56,000 for professional services rendered during the most recent fiscal year, excluding fees for audit services. In the opinion of the Audit Committee, the provision of such professional services is compatible with KPMG's status as an independent auditor.

On January 2, 2002, the Company dismissed Grant Thornton LLP and engaged KPMG LLP as its new independent auditor. The decision to dismiss Grant Thornton LLP was recommended by the Company's Board of Directors.

In connection with the audits of the two (2) fiscal years ended March 31, 2001, and reviews of the subsequent interim period through September 30, 2001, there were no disagreements with Grant Thornton LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements if not resolved to their satisfaction would have caused them to make reference in connection with their opinion to the subject matter of the disagreement.

The audit reports of Grant Thornton LLP on the consolidated financial statements of the Company and subsidiaries as of and for the years ended March 31, 2001 and March 31, 2000 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles.

On February 14, 2002, the Company announced that it intended to delay the filing of its Form 10-QSB for the quarter ended December 31, 2001 pending the restatement of its financial statements for the fiscal year ended March 31, 2001, and each of the quarters in the six (6) quarterly periods ended September 30, 2001, due to the misapplication of certain accounting standards discovered in the course of the quarterly review conducted by the Company's newly appointed independent auditor, KPMG LLP.

The misapplications of accounting standards principally concern the manner in which the Company accounted for certain aspects of its acquisition of PickAx, Inc. ("PickAx") in December 2000 and the acquisition of certain software to be sold, leased or otherwise marketed to others by the Company in May 2000.

The Company asked KPMG LLP to re-audit the financial statements for the two fiscal years ended March 31, 2001 and March 31, 2000 as part of the restatement process. On February 27, 2002, Grant Thornton LLP withdrew its report dated June 8, 2001 relating to the consolidated financial statements of the Company and subsidiaries that appear in the Company's Annual Report on Form 10-KSB for the year ended March 31, 2001.

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for annual reports and proxy statements with respect to two or more securityholders sharing the same address by delivering a single annual report and proxy statement addressed to those securityholders. This process, which is commonly referred to as "householding," potentially means extra convenience for securityholders and cost savings for companies.

This year, brokers with account holders who are Raining Data Corporation stockholders may be "householding" our proxy materials. A single annual report and proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker or us that they will be "householding" communications to your address, "householding" will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in "householding" and would prefer to receive a separate annual report and proxy statement, please notify your broker and direct your written request to Brian C. Bezdek, Vice President—Finance, Corporate Controller and Corporate Secretary, Raining Data Corporation, 17500 Cartwright Road, Irvine, California 92614, telephone number (949) 442-4400.

By Order of the Board of Directors,

Geoffrey P. Wagner
